Profile

Barcelona-based film and commercial production professional with hands-on experience across production, camera, locations and logistics. Experienced on international commercial shoots and independent fiction, with a background spanning production driving, client and crew transport, location support, base camp, production logistics, camera assisting and producing. Native English, fluent Spanish and comfortable working with international crews and clients.

PRODUCTION EXPERIENCE

Producer & Co-Founder - Bigoli Pictures - Barcelona / International | 2019–Present

Development and production of independent fiction, branded content and commissioned productions. Hands-on involvement throughout the production process, from development and pre-production through shooting and post-production.

Responsibilities include production planning, budgeting, scheduling, crew coordination, casting, client communication, location research and scouting, equipment coordination, transport and shoot logistics, alongside camera and post-production work.

SELECTED PRODUCTION WORK:

Tenbin Labs - Branded Production | 2026 - Producer / Production

Client communication and pre-production coordination, location research and scouting, including scouting locations in the Monegros Desert, production planning and on-the-ground shoot logistics while also pulling focus for the cinematographer during the shoot.

Bigoli Bang - Feature Film | 2020 - Producer

Development and production of an independent feature filmed on location in Schio, Italy. Involved across casting, crew coordination, locations, equipment, scheduling and production logistics through to post-production and release.

Independent Fiction & Short-Form Productions - Producer / Camera / AC

Ongoing development and production of narrative shorts and independent productions in Barcelona and internationally, working with professional camera, lighting and production crews.

Production Assistant - Sonda Productions - Barcelona | 2016–2020

Production support on large-scale international automotive film and photography shoots for brands including Audi, Volkswagen and Porsche. Production driving and vehicles · airport pickups · international client/crew transport · client care · production runs and purchasing · crew supplies · base-camp setup · equipment transport · location support · on-set assistance.

Producer / Studio Lead - Bigoli Studios - Barcelona | 2025 – Present

Co-management and day-to-day operation of an independent Barcelona film and acting studio.

Organisation and coordination of filmmaking and acting workshops, visiting international tutors, castings, screenings, seminars, production events and filmmaking competitions. Responsibilities include scheduling, participant and client communication, space preparation, equipment, technical support and general production logistics.

Also involved in commissioned and in-house film/video productions through the studio.

CAMERA & ON-SET EXPERIENCE

Videographer - Barcelona & International | 2018–Present

Camera and production work across commercial, corporate, documentary, interview, sports and event productions. Selected work includes the Taequando World Championchips's 2025, ICE Barcelona, Omega Systems, executive interviews for Nestlé, BCN Actors Week, Artemis Barcelona - branded content and professional photography/event coverage. Experienced with cinema-camera setups, camera rigging, gimbal operation, wireless focus systems and working as part of small and medium-sized production crews.

Camera Assistant / Focus Pulling

Hands-on experience with camera preparation, rigging, lens changes, wireless monitoring and focus systems & LiDAR, alongside practical experience with Blackmagic and Sony camera systems and cinema lenses. Comfortable supporting camera departments as well as operating/focus pulling on smaller productions.

SELECTED EARLIER FILM EXPERIENCE

Camera Operator & Director - Street TT | Barcelona | 2022

Filming and directing branded/social content - Street TT

DOP - House of Drag | Barcelona | 2021 - Camera and lighting for independent short film.

Director - Red Menace | Barcelona | 2020 - Producer/director of independent series pilot.

1st Assistant Director — James Kakande Music Video | Barcelona | 2019

DOP - Visual Marketing Content, eten.com | Barcelona | 2019

Director - Burnt Youth | Barcelona | 2018

1st Assistant Director — Rain Machine | Galicia | 2018
